### Media Center News

#### Step Up to the Plate

“Step up to the Plate @ Your Library” If you like baseball and would like to participate in a drawing for tickets to the Baseball Hall of Fame, come by the media center for further information on how you can enter to win.

### Principal’s Message

I want to congratulate Ms. Leslie Baker who has been selected as a 2010 winner of the Edyth May Sliffe Award for Distinguished Junior High Mathematics Teaching! Ms. Baker will be recognized at The Fulton County School Board meeting this Thursday evening at Dunwoody Springs Elementary School. We are all very proud of Ms. Baker and this much-deserved recognition.

Ed Williamson

### Taylor Road is a Clean Air School

Through our participation in the Clean Air School Program, our school is establishing a No-Idling Zone to improve air quality for our students.

#### Vehicle Exhaust Affects Our Children

- Children breathe 50% more air per pound than adults.
- Children are closer to the ground, and therefore closer to vehicle tailpipes.
- Asthma is the most common chronic illness in children and the cause of most school absences. Exposure to car emissions can aggravate children’s asthma symptoms and make it harder to breathe.

#### How You Can Help

Turn your engine off while waiting for your child at school.

#### Benefits to You, Your Children, and Our School

- By not idling, you keep three pounds of pollution per month from going into the air – helping us all breathe easier.
- Each hour you’re not idling saves up to a gallon of fuel, which puts more money back into your pocket. Use the savings to do something nice for your family!

Your Actions Make a Difference.....

**Thanks for turning off your engine!**  
1-877-CLEANAIR

### 8th Grade Picnic

Attention all 8th Graders - Your time has finally arrived!!! The end of middle school is fast approaching. Join us for a fun afternoon of hanging out, signing yearbooks, playing games, listening to a DJ, and eating one last lunch (our treat!) with all your middle school buddies. Don't miss out on this last big hoorah on May 21st!!!

We need volunteers before, during and after the party, and we’re also looking for donations of desserts and cases of water. Parents, if you can help in any way, please email Teri Frederisy at [iclickpix@gmail.com](mailto:iclickpix@gmail.com). We look forward to seeing you all there!

### MEDICATIONS STORED AT CLINIC

As we approach the end of the year, please make sure you make arrangements to pick up medications that are stored in the clinic **no later than** May 21<sup>st</sup>. Prescription medications **MUST** be picked up by a Parent/Guardian. Any medication not picked up by May 21<sup>st</sup> will be **discarded**. We can not store medications for the following school year. You may pick up an Authorization to give Medication form (or any other form) in the clinic or at [www.trms.ga.net](http://www.trms.ga.net) (click on the clinic tab and scroll down for forms) Please remember to use the website to print forms if you are going to the doctor and need a prescription as the doctor must sign the Fulton County form in order to administer prescription medication at school. We need **new** forms each school year. Please take advantage of the forms online to take care of this over the summer. If you have any questions, I do check email over the summer. Thank you!
