PRINCIPAL'S MESSAGE

Please remember that ITBS testing began today for our 8th graders and will continue every morning this week. It is important that students get plenty of rest this week and eat a nutritious breakfast prior to testing. Please do not make doctor or dentist appointments this week in the morning.

Also remember that the first progress reports of the year will be issued on Monday, September 27. We ask that you sign those and that students return them to their homeroom teachers within two days so that we know you have seen them.

I will be giving my annual State of the School Address on Wednesday, September 29 at 10:00 am in the media center. You are invited to come and hear about the tremendous progress students are making at Taylor Road, particularly in the area of standardized test scores!!

Ed Williamson

Calling all Girls and Boys interested in trying out for 6th, 7th, and 8th grade competitive basketball teams!

There will be two to three tryouts per team at Chattahoochee High School and Taylor Road Middle School beginning September 26. These are the competitive basketball teams that compete against other north Fulton, Cherokee and Cobb county teams. They will help prepare you for play at the high school level. The season begins in October 2010 and lasts through February 2011. Each team plays approximately 20-25 games during the season.

You must live in the Chattahoochee High School district to tryout for the Jr Cougars or have a child who will be hardship enrolled at Chattahoochee. For more information about the Jr Cougar program please visit our website at www.leaguelineup.com/juniorcougarsbasketball or email us at bbutler@capstoneag.com for further information.
